We are looking for a dynamic, energetic intern who is eager to learn about and support kids programming in active ways! This is a great opportunity for someone who is interested in working with children, being involved with community, and creative programming. The overall goal of this internship is to assist the children's coordinator in advancing kids programming in the 2023-2024 year.

Intern Responsibilities:

- Support kids programming in dynamic ways.
- Assist in setting up, participating in, and breaking down the Bounty & Soul kids tent at the weekly markets.
- Help facilitate classes within the community.
- Create ongoing activities through research.
- Contribute to the overall team at the weekly markets, as needed.

Intern Requirements:

- Maintains an enthusiastic and positive attitude, including when faced with unforeseen changes.
- Is solution oriented.
- Has previous experience working with children in an encouraging atmosphere.
- Possess understanding of cultural competency and sensitivity.
- Has excellent verbal and problem-solving skills.
- Enjoys participating in and contributing to a team environment.

Hours:

Hours-Up to 24 hours per week

Days-Tuesday, Thursday, and Friday
